Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 19 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy, windy and mild with spells of rain.

Today:
Cloudy with outbreaks of rain through much of the day, turning heavy and persistent at times, especially across the Peak District. Some drier interludes are possible in the south. Windy and mild for all. Maximum temperature 11 deg C (52 deg F).

Tonight:
Further spells of heavy rain likely overnight, with some drier interludes as well. Remaining rather cloudy with strong southwesterly winds, so staying mild. Minimum temperature 9 deg C (48 deg F).

Wednesday:
Further periods of rain throughout Wednesday, often heavy but with occasionally drier interludes mostly in the east. Remaining windy and mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Rain clearing early Thursday then cold and windy with sunny spells and a few showers, continuing through Friday. Lighter winds on Saturday, mostly dry and bright but clouding over later.
